#### Making A Town-Wide Sweep Rochester's Sixth Annual Clean-Up Day

Rochester resident Ken Daggett examined the grounds outside the Town Hall earlier this week and commented that with a little work, it's easy to keep your surroundings clean. "It really does make a difference if everyone pitches in to help," he said. "You can drive around town the day after we've done our clean up, and you notice how much nicer it looks."

Ken Daggett should know. As a member of Citizens Living in Environmentally Aware Neighborhoods, Inc. (CLEAN, Inc.), he and cohort Donna Ziobro have been making a clean sweep of Rochester every year for the past six years ... and that's without ever running for political office.

This year is no exception. Plans are in place for CLEAN, Inc.'s sixth Annual Clean-Up Day, which will commence on Saturday, May 20 at 9:00 am at the Town Hall, and run until 2:00 pm that same afternoon. As in the past, the group's goal is to get as much of the town litter-free by the end of the day as possible. Although the effort was originally started to coincide with Earth Day, it has been moved to May in the hope of getting better weather ... something for which CLEAN, Inc. isn't noted.

"We've had some bad weather in the past," Mr. Daggett said. "I just hope the it's nice and comfortable for this Saturday."

The basic items that have been taken in the past will again be accepted this year, but with a few new exceptions and rules that are necessary in order for this endeavor to be able to continue. The following rules have been established to ensure that everything runs smooth and so the volunteers and businesses do not feel they are being taken advantage of:

• Proof of residency will be required (this clean up is

limited to Rochester residents only).

• Please do not wait until the last minute to bring items to the Town Hall, since some items may be refused if overloaded.

• When the 2:00 pm cutoff time arrives, nothing else will be accepted. The time for the collection is 9:00 am to 2:00 pm, and there will be no exceptions made due to abuse of this privilege last year.

"Some people really took advantage of the situation last year, and that's why we have to limit the time and what can be taken," Mr. Daggett said. "Some items were left in the Town Hall parking lot last year that weren't even acceptable."

Among these restricted items were broken glass windows, rusty fencing, old car parts, and car batteries — all of which caused a problem for the Town Hall employees, not to mention the dilemma of where and how these items were going to be disposed.

The area will be monitored all weekend and anyone who does attempt to dispose of items after the fact will be caught. CLEAN, Inc. apologizes for these added rules that really only apply to five percent of the participants, but they have to be

mentioned.

Following is a list of acceptable items and charges where applicable (all dumpsters will be marked accordingly):

• GARBAGE — trash, and other such material as broken furniture (nothing to exceed three feet in length).

• TIRES — car tires \$1 each, truck tires \$5 each.

 METALS — all metals and steel items (white goods), refrigerators will be charged \$5 each (to remove refrigerant).

Please note: in the case of propane tanks, gas tanks, and motors, all oils and fuels must be removed without exception before being taken!

Following is a list of non-acceptable items:

- YARD WASTE leaves, branches, pine needles.
- TOXIC WASTE oil, paint, gas, pesticides.
- OLD TELEVISIONS.
- DEAD ANIMALS.

Most of these items CLEAN, Inc. cannot accept by law.

If there is an item that you are physically unable to get to the collection, please call either Ken at 763-2123 or Donna at 763-3375, and they will try to make other arrangements. The cost of the tires and refrigerators is what the companies are charging and no profit is made from the clean up effort.

CLEAN, Inc. also wishes to remind volunteers to please be careful and *do not touch any dead animals*. Also, if you have a specific road you wish to clean up, please call Donna or Ken so that they can keep a list of those streets that are taken care of so they know where the other clean-up crews are needed.

Mr. Daggett noted that CLEAN, Inc. wishes to thank the following area businesses who are assisting in the May 20 Clean-Up Day: SEMASS, who will provide garbage rolloffs; M&M Scrap Tire, who will be taking the car and truck tires;

On the cover: Rochester resident and CLEAN, Inc. member Ken Daggett stands outside Town Hall and near this sign advertising the town's sixth annual Clean-Up Day, which will take place this Saturday, May 20, from 9:00 am to 2:00 pm. Residents are urged to pitch in by volunteering to clean up their own streets, and also by assisting in a town-wide clean-up throughout the day. (Photo by Kenneth J. Souza.)

and American Metals, who will be taking the metals and white goods.

Coffee and donuts will be available at the Town Hall beginning at 9:00 am until depleted. CLEAN, Inc. will also provide garbage bags and plastic gloves. Volunteers are asked to report to the Town Hall no later than 9:00 am so areas may be designated for clean-up and road maps may be distributed.

## Mattapoisett Annual Town Meeting May 15, 1995

The first night of the Annual Town Meeting for the Town of Mattapoisett was called to order on Monday, May 15 at 7:30 pm in the auditorium of Old Rochester Regional High School by Town Moderator Richard "Bill" Blasdale, having noted the presence of a quorum (some 445 voters). After a Salute to the Flag and a moment of silence for departed Town Meeting members, Mr. Blasdale introduced the members of the Board of Selectmen, the Executive Secretary, the Finance Committee, the Town Clerk, the Town Accountant, and Administrative Secretary — all of whom were seated on the stage.

Mr. Blasdale then turned the proceedings over to Town Clerk Lois K. Ennis, who would serve as Moderator pro tem for ARTICLE 1: the Casino Gambling Non-Binding Resolution, dealing with the proposed Wampanoag casino in New Bedford. Ms. Ennis explained that discussion of the article would follow standard debate format, whereby opening statements would first be heard from both the proponents and opponents of the casino (limited to 15 minutes each), a discussion period will commence for no more than 40 minutes, and closing statements will then be heard from each side (limited to 5 minutes each).

A secret ballot vote would then be taken at the conclusion as to whether voter were in favor or against the casino in New Bedford.

Ms. Ennis thereby entertained a motion that non-voting Town Meeting members be allowed to speak during the proceedings, which was passed via unanimous vote.

Before beginning, however, a voter moved that the article be tabled to allow Town Meeting to "proceed with town business matters," and save this discussion for a later time. Ms. Ennis, upon noting that invited guests were in attendance to speak to the issue at hand, did not want to entertain the motion. However, a vote was taken and it was defeated via majority vote.

The first to speak on the issue was resident Blanche Perry of Aucoot Road. Ms. Perry said she was going to vote in favor of the casino because she felt it would offer an opportunity for jobs. "We have a peaceful and serene little

town," she said, "but how many of us have to cross the river for work? We're not the ones looking at the closed factories and empty tenements. I think the proposed casino and entertainment center will offer the prospect for jobs in an area where they are desperately needed."

Ms. Perry also dismissed the fact that gambling would increase crime and compulsive gambling. "This is a business, and it will bring tourism into the area," she said. "Gambling has been called 'America's favorite pastime,' ... and all you have to do is look at the Knights of Columbus Hall (on Route 6) on Monday nights — it's always packed with Bingo players."

Resident Stanley McMullen — who is also a member of the Wampanoag tribe — stressed that the tribe considers this area part of their home and, as such, have just as much interest in maintaining the quality of life as do Mattapoisett residents. "The plan for economic development should include prospects for everyone," he said. "In New Bedford, over 20 percent of the (population) is either underemployed or unemployed. The casino will provide some 500 jobs and bring an estimated \$95 million to the local economy."

In answer to those who suggest that the casino will increase crime and corruption, Mr. McMullen noted that New Bedford is not Atlantic City, and the casino will have to follow certain criteria set forth by the state. "I've heard opponents of casino use Atlantic City as an example of what the casino will do to New Bedford," he said. "We will be bound by the Indian Gaming Act and the compact signed with the Com-

monwealth. We are not going to make a mess in our own backyard."

Resident Richard W. Blasdale, representing the Citizens for a Better Way of Mattapoisett, countered that the casino is not the right solution to New Bedford's economic problems. "We all agree that restoring the economic engine of New Bedford is our top priority," he said, "but a casino and entertainment center is clearly not the answer."

Mr. Blasdale noted that the issue needed to be viewed by weighing the pros and cons. "I'd like to think of it as an old-fashioned balance scale," he said. "On the yes side, there are jobs, jobs, jobs. But on the no side there is a potential increase in crime, social problems, and moral issues to face.

"If you look at two examples like Atlantic City and Foxwoods (in Ledyard, CT), I think most people would agree that Atlantic City is an experiment which has failed. But some would say that Foxwoods has strengthened the economy and increased tourism. But I would remind you that Ledyard, CT has no prior history of rampant criminal activity."

Mr. Blasdale closed by saying that the casino will take away from local businesses and drain money from area residents. He also noted that 14 percent of the casino's total revenue will come from people within a 25-mile radius — meaning that local residents will expend close to \$52 million each year on gambling. "In Reno, 25 percent of the businesses have folded since the casinos opened," he said. "The (New Bedford) casino is proposing a 'minimal presence' of food vendors and retail shops. According to the initial plans, the casino and entertainment complex will offer 2,362 food service and/or lounge seats. Does that sound like a 'minimal presence' to you?"

"Casino gambling is bad social policy ... it may be one version of the future, but it doesn't have to be," he concluded.

During the discussion period, several residents offered

support for both sides of the argument, and asked representatives on the pro and con side to strengthen their arguments. Resident Ray Andrews said he understood what the Citizens for a Better Way were trying to achieve, but he didn't hear any viable alternatives being offered. "Some of you have mentioned making New Bedford a tourist (port) like Newport," Mr. Andrews said. "Well, I'd have to say that New Bedford's waterfront is dying. I've been watching the fishing boats leave this area and never come back. I think it's too late to look at that option to help stabilize the surrounding communities."

Mr. Blasdale countered that economic development is a regional problem, and as such the surrounding communities should be working with New Bedford to find alternatives to the sagging economy. "Let's not stick economic development into some shoebox in New Bedford," he said. "Let's work to create a larger, regional airport ... which will be a strong backbone for the economy and will help to bring in business. We also need to develop a master plan to revitalize New Bedford's harbor."

"When I came back to this area in 1983, we were looking at regional improvements ... we were going to develop the waterfront, we were going to develop the harbor ... and now it's twelve years later and nothing has been done," said resident Andy Broussard.

"We have a problem in this area that is bigger than most people realize," added resident William Hall. "The fishing industry is gone, the textile industry is gone. I personally

don't care for casinos — I don't believe in gambling. But I honestly believe that saying 'no' to the casino could be the final nail in the coffin (for New Bedford)."

"We've already got a government-sanctioned gambling program and it generates 32 cents on a dollar," said resident Roger Thompson. "If you buy into it, you have a one in 500 million chance to be the big winner. The problem here is you can lose money a lot faster at a gambling casino than you can at the local 7-Eleven playing lottery tickets."

"The casino is a start," said resident Mike Haines. "If you want your town to be quaint ... stand up for your morals and vote against the casino. But if you want to take a chance at creating more jobs in the area, vote for the casino."

"I was initially in favor of the casino, said resident

Wayne Walega. "I thought that the perception of \$35 billion in additional revenue would be enough to carry the idea ... but these revenues mean losses from ordinary people. These complexes operate on the idea of capture marketing, which means they want to be the hotel, the restaurant, the area's sole source of entertainment. They want people to come there and stay there. What good is that going to do for New Bedford and Mattapoisett if they take all the money away from local businesses?"

In closing, Mr. Blasdale noted: "It's been said that the casino is a start. The question is: what's the end? Is it worth it to us to bet which way the New Bedford deal is going to go?"

Resident Walter Hughes, a former New Bedford resident and member of the City Council, stressed that the vote taken this evening would carry some weight with the City of New Bedford. "We are charged tonight with a very important decision ... and it is going to make a difference how we vote," he said. "This is not a panacea, we are losing businesses throughout New Bedford. When you sit here tonight and take this vote, remember to think about those who are unemployed in the area, and the possible job opportunities this might offer."

With that, a secret ballot vote was taken, at which time Town Meeting recessed for a few minutes. Upon reconvening, Town Clerk Lois Ennis announced that ARTICLE 1 was defeated, 269 votes against to 180 votes in favor.

Under ARTICLE 2, Town Meeting voters considered the setting of the following compensation amounts for the town's elected officials: Town Moderator (\$200); Selectmen (Chairman — \$3,700; Members — \$3,300 each); Treasurer/Tax Collector (\$39,390); Assessors (\$3,300 each); Town Clerk (\$34,279); Board of Health (\$400 each); Highway Surveyor (\$42,106); Mattapoisett School Committee (\$400 each); Water/ Sewer Commissioners (\$400 each); Tree Warden (\$4,000). article also asked for payment of longevity pay to the Treasurer/Tax Collector (\$400); the Town Clerk (\$400); and the Highway Surveyor (\$200).

Several residents questioned the additional longevity pay being given to the three elected officials, and Finance Committee Chairman Elizabeth Kunz explained: "Town employees (under a union) have longevity pay included in their salaries. A 3.5 percent increase for all elected officials was recommended by the Board of Selectmen."

Resident Steve Kelleher noted that "there are very few private businesses which include longevity pay as part of their bargaining agreements." And another resident thought it would be setting a bad precedent. "You don't reward elected officials with raises, you reward them by re-electing them," he said.

Despite these arguments, ARTICLE 2 was passed by a narrow margin of 200 in favor, 150 opposed.

Town Moderator Richard "Bill" Blasdale next introduced ARTICLE 3, which requested an appropriation of over \$8.9 million for the town's General Operating Budget. After reading all the line items and related amounts, Mr. Blasdale entertained questions from the floor on those items which were put on "hold" during the reading.

The first question concerned line item 24, Town Counsel Expenses, which had been recommended at \$35,000 — a \$10,000 hike over last year's appropriated amount. "Why are we spending \$10,000 more on legal fees when we can't afford

to keep our town beach open?" asked resident Ray Andrews. Selectman Daniel O. Mahoney noted that the board felt the services of Town Counsel might be needed more in the coming year with ongoing Police Union negotiations and pending litigation involving the gasoline spill at the Police Station. "We have a series of new activities which are going to require legal services," he said. "It was a judgment call that we might need those extra funds."

Line item 48, the annual salary for Fire Chief Ronald Scott, was amended from the floor by resident John DeCosta, who asked that an additional \$500 be appropriated to bring the Fire Chief's salary hike in line with the Police Chief's. "I know what type of work (Chief Scott) does and the long hours

he puts in," Mr. DeCosta said. "I think it's only fair that he be compensated for it."

The motion to amend the Fire Chief's salary from \$35,500 to \$36,000 was approved via majority vote (300 in favor, 10 against).

Another bone of contention was the full operation of the town beach, which has been relegated to partial opening during the summer months in recent years. Although there is a line item under the Waterfront Enterprise Fund for the beach, Selectman Mahoney explained that voters had turned down the continued funding for the beach several years ago and, as such, an override article would need to be passed on this year's warrant to appropriate \$9,000 to open the beach for the summer.

With some other minor changes, voters then passed a total Operating Budget of \$8,919,496.83 for fiscal year 1996 via majority vote (280 in favor, 3 against).

Due to the late hour, Mr. Blasdale asked that the Town Meeting be adjourned and noted that it would resume on Wednesday evening, May 16 at 7:00 pm.

and Executive Secretary Carol J. Adams.

At 7:00 pm the board met with Clayton L. Hagy of the Coast Guard Auxiliary in conjunction with Safe Boating Week, which commences on May 20. Mr. Hagy would like to remind people that the new Massachusetts laws require that any size boat now carry personal flotation devices (PFD's) for each person aboard. Also, any child twelve years old or younger must have a PFD on at all times ... although Mr. Hagy encourages everyone to wear a PFD, as personnel safety is important at any age.

After the board signed the warrant, licenses, and permits for the week, they unanimously approved:

- Warrant for the Special Town Election to be held on June 6.
- Joint Transportation Planning Group appointments.

• SRPEDD Delegate appointments.

 Town Counsel request form for Building Inspector Andrew J. Bobola.

The descriptions of the layout for Bethany Lane and Abby Lane, as well as the description of layout of Kerwin Avenue, also required their signatures.

Chairman Lambalot cited the following meetings scheduled throughout the week:

 Wednesday, May 17 at 7:00 pm — Continuation of Annual Town Meeting.

 Thursday, May 18 — Annual Town Meeting conclusion, if required.

• Wednesday, May 17 at 12:00 noon — Buzzards Bay Action Committee Meeting, Fairhaven Town Hall.

Under the Executive Secretary's Report, Ms. Adams noted:

• The state will renovate Route 6, putting in traffic signals, some sidewalks, some drainage, and some sewage.

Committee, Water Rate Study Committee, and Zoning Board of Appeals.

Selectman Dickerson abstained from voting on the Police Department and Constable reappointments, and Selectman Schaefer approved these with Chairman Winters via majority vote.

Under incoming correspondence for the week, the board received letters from Mark D. Hadley and William J. Brennan, both of whom expressed interest in filling the vacancy on the Planning Board. The Selectmen agreed to forward these letters to the Planning Board for consideration.

The Benjamin D. Cushing Post 2425 of the Marion VFW sent a letter to the board advising them of the plans for the Memorial Day Parade and Exercises to be held on Monday, May 29. The Selectmen were invited to participate in the parade, and also to give a short speech at the Town Hall when the parade makes a brief stop there en route.

The Massachusetts Boating Association (MBA) next submitted a letter expressing their concern over House Bill 2842, which is proposing an increase in boat excise

taxes by as much as four times the present amount — a hike which could force many boaters to give up their recreational activity. The MBA asked the Board of Selectmen to oppose said bill, and pass this message along to local legislators.

At 7:15 pm, Dennis Luttrell of the Marion Coast Guard Auxiliary Flotilla 1N-607, came before the board to ask they sign a proclamation declaring the week of May 20 - 26 as "National Safe Boating Week" in Marion.

Mr. Luttrell noted that as the only civilian branch of the national armed forces, the Coast Guard Auxiliary serves to provide marine courtesy examinations of boats, make safety patrols of local harbors, embark on search and rescue missions, and make environmental patrols to prevent illegal contamination of area waters. The Marion Flotilla has some 23 volunteer members from the surrounding towns of Mattapoisett, Rochester, Wareham, and also New Bedford.

The board unanimously voted to sign and approve the proclamation as presented, declaring May 20 - 26 as "National Safe Boating Week" in Marion.

The United States Department of the Interior, Bureau of Indian Affairs, next submitted a request to the board that they offer input on the proposed casino and entertainment complex in New Bedford to be built and run by the Wampanoag tribe of Gay Head. Prior to taking off-reservation fee land into trust for gaming purposes, a determination needs to be made as to:

• Will the gaming establishment on newlyacquired land be in the best interest of the Wampanoag Tribe of Gay Head?  Will a gaming establishment on the newlyacquired land be detrimental to the surrounding community?

At 7:30 pm, the board met with residents Lee Hayes and Charles Paulsen, representing the Marion Harbor-East Trust, regarding the proposed subdivision on Point Road. Mr. Paulsen read the following prepared statement to the board:

"A group of abutters and concerned citizens has filed a legal action regarding the Point Road cluster development which was approved by the (Marion) Planning Board last month.

"In short, the basis for this action is that we believe

the plan is not in compliance with our subdivision regulations, zoning by-laws, and the Massachusetts General Laws. Moreover, this first major cluster development to be proposed in Marion does not meet the letter or intent of our cluster by-law. For example, the number of lots seriously exceeds the allowed density because the developer included wetlands in his calculations, which is specifically forbidden in the cluster by-law.

"Apart from violating the cluster by-law, these extra units will result in great added cost to all Marion taxpayers (each home adding approximately \$5,000 to town taxes). So we are both ignoring our density limitations and assuming major cost burdens.

"We emphasize that we favor cluster design principles, especially when they provide homes that are affordable in developments that create open space.

"This appeal has been taken because of our concern for the entire town's future development patterns, the cost to all taxpayers, and Marion's quality of life. The above points were made to the Planning Board at three hearings prior to their vote to approve. Unfortunately, at this point, legal action is the only recourse available."

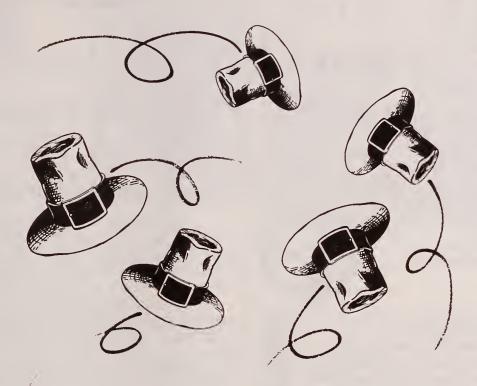

Upon completing the statement, Selectman Schaefer asked both men what they hope to gain from this action. "We hope to get all the parties together and find a solution to this that isn't violating (Marion's) by-laws," Mr.

# The typical reaction to our checking accounts.

When folks discover the complete range of checking options that Plymouth Savings Bank offers, they're enthused. And when they find fees that are typically lower than the competition's, they're absolutely delighted. Here are a few examples:

Club Checking. A feature-filled account for people on the go. With the Club 50, there are no service charges when you maintain a \$100 minimum balance. Club 50+ provides a wealth of benefits for just \$4 a month. Even our standard Club Checking is packed with benefits.

NOW Account. An interest-earning account that lets you avoid the \$6 monthly fee, simply by maintaining a \$1,000 minimum balance.

Basic Checking. Perfect for folks who write a minimal number of checks. For a low, \$2 monthly fee, your first 10 checks are processed free, and the rest are just 10¢ per check.

With Accountkey, you always know where you stand. Whatever you choose, our Accountkey line gives you touch-tone access to your account, even when we're not here. So you can verify your balances, find out which transactions have cleared — even make transfers and loan payments, 24 hours per day.

Call us, today, at Plymouth Savings. When it comes to providing affordable checking for our neighbors, you'll be pleased to discover we're a bank of many hats.

#### 15 VS 30 YEAR MORTGAGE

Among the diverse home financing options, is the 15-year mortgage. It has been very popular depending on the difference in interest rates between the 15 and 30-year mortgages. If the spread is small, there is not that much difference between the two.

Perhaps the most attractive features of the 15-year mortgage are a lower interest rate, more rapid equity buildup and lower total interest payments over the life of the loan. However, the 15-year loan also has some drawbacks.

While home buyers might save more in interest, their monthly payments would be greater. Also, the 15-year mortgage might not be the best instrument for borrowers who move before their loans reach maturity. Because most people do not live in their homes for the duration of their mortgage loans, it might make sense to examine interest savings over THAT time frame. Since monthly payments are higher, homeowners might want to explore whether the extra money could be better invested.

Call Fisher & Rocha today with any of your Real Estate questions or needs, we're here to help!! 758-6738.

Paulsen said.

Both Selectman Dickerson and Chairman Winters refused to make further comment, as the issue is now a matter of pending litigation. "I don't see that we can take an further active role in this as the Planning Board is directly involved as an agency of the town," Mr. Winters said.

Planning Board member David K. Pierce asked if there isn't a conflict with having a member of the Finance Committee — Lee Hayes — involved in a suit against the Planning Board, both of which are town entities. Mr. Pierce even suggested Mr. Hayes might consider resigning his position with the FinCom. "I think I'm acting only as a concerned citizen in this matter," Mr. Hayes said. "I don't see it causing a problem with my role on the Finance Committee."

"We just wanted to inform the board officially and we came here simply to provide a means of communication," Mr. Paulsen said. "We shared our concerns at three different hearings ... and we felt our comments were not acted on."

There being no further matters to come before the board, they voted to adjourn for the evening at 7:45 pm.

Rochester was called to order at 7:30 pm in the auditorium of Memorial School by Town Moderator William Chamberlain. A fiscally sound township audience of 141 people voted to approve major expenditures and pay cash from available funds in the amount of \$580,000 as recommended by the Finance Committee.

Majority votes carried \$28,579 to purchase and equip a new cruiser for the Police Department; \$182,000 for a 1200 gallon-per-minute Pumper Tanker for the Fire Department (in order to replace the older 1962 model with a pumper to use in small brush fires), as well as \$150,000 for the purpose of road and drainage repair throughout the

The cruiser issue raised the discussion of warranties, causing Board of Selectman Chairman Michael Murphy to argue the point made by Police Chief Walter V. Denham to "specifically exclude (the cost of) any supplemental warranties."

A discussion ensued in which policemen from other municipalities who are also residents of Rochester added their opinions in defense of both Chairman Murphy and Chief Denham. The final vote carried the Police Chief's initial recommendation.

Town Hall employees were given a 4 percent costof-living raise as recommended by the Finance Committee "to reflect the cost of living, and award their dedication and loyalty."

When discussions about raises began, resident John Lafreniere expressed his concerns about no existing Personnel Policy being in place, and suggested this is a more appropriate means of coming to decisions about employment compensation.

A committee member representing the group who is working on a final draft of the new Personnel Policy said they expect to have it ready and typed in a week or so. Tax Collector Thomas Gayoski expressed his doubts about the deadline, pointing out how long it had already taken to process the manual.

Voters then approved a pay raise of \$500 each for the Town Clerk and Tax Collector.

At 7:30 pm on Monday evening, Town Moderator William Chamberlain convened the Special Town Meeting within the annual. Unanimous votes carried ARTICLES 1 through 4, which included making funds available to cover \$2,658.67 in 1994 expenditures, the acceptance of the provisions of Chapter 85, Acts of 1994, and to appropriate

the sum of \$204,080 from available funds for 1995 budget requirements and to allocate \$7,383.80 to pay READS for Medicaid.

ARTICLE 5, which required an explanation from Conservation Commission advisor Georgia Chamberlain, was approved — authorizing the town boards and officers to charge reasonable fees for licenses, permits, or certificates for services rendered or work performed for particular persons or classes of persons.

Essentially these monies will recover fees which must be paid to the Registry of Deeds for travel by a Rochester employee and other out-of-pocket expenses incurred. The resident may choose to do his own

registrations at the Plymouth County Registry of Deeds office, but this will offer a service to them if they so choose.

After concluding with consideration of the warrant articles, time was devoted to dedicate the Annual Town Report to George and Katherine Church, as well as Albert Alderson, all of whom have contributed so generously of their time and talents to the Town of Rochester over the vears.

The Annual Town Meeting was set to resume on Wednesday, March 16 at 7:00 pm in the auditorium of the Rochester Memorial School on Pine Street.

#### Letters to the Editor

To the Editor:

The Old Hammondtown School would publicly like to extend its sincere appreciation for all the kindness offered to it by the members of the Mattapoisett PTA during this past academic year. Their tireless efforts to service the needs of the students and staff have been outstanding. We in Mattapoisett are very fortunate to have an organization of this caliber. The "Mattapoisett PTA is Special!" Thank you! Sincerely,

## Bike Rodeo at ORR

The Mattapoisett PTA is sponsoring a Bike Rodeo at ORR High School on Saturday, May 20 from 9:00 am to 12:00 noon. The event, which features "Perfection on Wheels," is being held in the rear high school parking lot. In the event of rain, it will be held in the high school gymnasium. All tritown community members are invited to attend and there is no cost for this program.

"Perfection on Wheels" performed their stunt program at Center School last year and was so well-received that the PTA has brought them back for a three-hour bike rodeo. They perform all over the United States and this year they performed a bike rodeo for the American Academy of Pediatrics.

Two professional stunt bike riders will conduct the program. The morning will begin with a 45-minute stunt display. Following this, the riders will teach traffic rules, signals, bike sizing, and proper helmet use. They will give tips on the five point bike check system, and will give proper adjustments on each bike. For those adventurous bikers, they will instruct them on crash and roll procedures, and how to lift and maneuver your bike around objects such as curbs and rocks. There will be a special course in bicycle control techniques. The program also contains messages of saying "no" to alcohol and drugs, and the handling of peer pressure. They will also set up an obstacle course for the bikers' use.

FAIRHAVEN, MA 02719

Town House, 2 Spring Street, Marion, MA 02738 by June 1, 1995. The appointment will be made jointly by the Planning Board and the Board of Selectmen.

The Planning Board meets three times a month, usually on the first and third Mondays, with a specific "Planning Meeting" on whatever remaining Monday best fits the board members' work schedules. Meetings will start at 7:00 pm in the Conference Room and usually run until about 10:00 pm.

Knowledge of Marion's Zoning By-Laws and subdivision rules and regulations and the applicable parts of Massachusetts General Laws, Chapter 40 and 41, is certainly not a prerequisite for application. However, a willingness to read, learn and digest this information is required. Whenever training opportunities occur, members are urged to take advantage of them and usually entrance fees and expenses are paid. There is also a wealth of background material available.

seventh graders are preparing for the annual Survival Experience which is the culmination of their seventh grade Health-Science Curriculum. This year, the trip will begin on Sunday, June 11 and continue through Saturday, June 17.

It is estimated that during the last 23 years, approximately 2,200 "survivors" have completed the weeklong outdoor experience. Many have returned through their

high school and college years as chaperones.

As you begin your spring cleaning and come upon a long unused backpack (in good condition) or any other unwanted camping gear, the Survival Advisory Board would greatly appreciate donations of any kind. These donations can help ensure that all of our young people who wish to participate in the program will have the means to do so. Additional support for the program is being provided through a student Car Wash and Bake Sale. Should benefactors wish to contribute to the program, they are welcome to do so. In either case, simply call Judy DeMailly or Rory McFee at ORR Junior High School (758-4928).

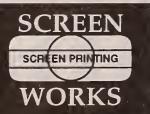

Information regarding the 1995 Survival Expedition will be presented at the Annual Parents' Information Night to be held at the Junior High on Monday, May 22 from 7:00 to 8:30 pm. Friends of the program are also invited to see the slide show presentation.

real life skills for a week. In the past couple of years, the school has tried to add to the program for the students who have stayed behind, called "SurvivORR." Both programs run from June 11 - 16.

This year, there is a new activity offered for SurvivORR students. The goals are similar to Survival, although it addresses other facets of real life skills. While learning skills, students will have an increased awareness of how AIDS is impacting nearby communities. The activity involves students making baby quilts and blankets for local HIV-positive babies.

This project has special meaning for student Elaine Chytrus, whose mother takes in foster children, and has a

"Strictly Paper" Benefit Auction

Local and regional history will play a big role once again when the Mattapoisett Friends Meeting (Quaker) holds its "Strictly Paper" Benefit Auction No. 7 on Saturday, May 27 in the church's social hall.

The sale features only paper collectibles — from whaling and works of art to postcards, autographs, and early 20th century catalogues. Of particular interest to area collectors will be a 12 x 15-inch lithograph titled "Summer Residence of the late Charles H. Leonard of Rochester, Mass." The estate was built in 1756 and remodeled in 1850.

Postcards feature the Wareham area, Mattapoisett, whaling, and the Fall River Line.

A two-voyage account book kept by Acushnet Whaling Captain Edward R. Ashley contains the accounts of the ship Reindeer (1856-60) and the Governor Troupe (1862-67), most of the entries originating at various ports in Hawaii. About 20 related paper items are also included with the lot.

Two large photos of Mattapoisett by W. Koch focus on a portion of Cannon Street and an aerial view of the town wharves and adjacent property. One book lot is titled "Memoir of Tristam Burgess," authored by H. Bowen and published in 1835. Burgess was born in Rochester and was a member of Congress.

Another lot is made up of 12 stampless folded letters

**Adoptable Animals** 

The local chapter of Animal Umbrella, Inc. is now running a maternity ward in their cattery here in Mattapoisett. They have baby kittens ranging in age from three weeks to eight weeks, with a great variety to choose from, including tigers, calicos, solid colors, and even bob tails. All have had their first vaccinations.

The group is happy to report that some of their adult offerings from last week's edition have found wonderful homes, including the six-month calico, the four-year old calico, the silver tabby, and even the 18-pound declawed tiger.

This week's adult offerings include:

• A long-haired tan and brown tiger who was rescued from a closed garbage container in Fairhaven. She was so badly matted, that she now has bald spots but will be beautiful when her fur grows in again. She is so appreciative, she wants to be loved all the time.

• A gorgeous all-white short-haired female, and several others including a Maine coon. All the adult cats have been spayed, neutered and vaccinated.

In our Lost and Found department this week, a gray male bob tail kitten, about six months old, is missing from the Long Plain Road area of Mattapoisett. He was wearing a blue collar. If found, please call one of the above representatives.

Free to a good home: twin tiger cats, two years old, who prefer outside. They make great barn cats. If interested, please call 758-4694.

Also available free to a good home: a greyhound and shepherd lab mix, about one and a half years old, weighing in at about 50 pounds. The dog is playful and makes for an excellent watchdog. If interested, please call 758-2678 after 4:00 pm.

The Wanderer would like to remind private pet owners that they can use this free space to find a new home for pets they may have to part with due to a change of living arrangements, new babies, or the like. We'll also gladly help you locate any missing pets in Marion, Mattapoisett or Rochester.

Simply write up a full description of the animal and drop it off at our office (55 County Road, Route 6), or mail it to P.O. Box 102, Mattapoisett, MA 02739. Please note: this is only for those who are giving pets away. Any trades or sales must be placed as a paid advertisement.

aboard the USS Seawolf (SSN-575) and qualified in submarines a year later. Upon leaving the Seawolf, he completed specialized reactor plant training at the Westinghouse Bettis Plant in Pittsburgh, Pennsylvania. He then reported to the precommissioning unit of the USS Alexander Hamilton (SSBN-617, Gold). After a three-year tour on Hamilton, he returned to Submarine School for a two-year instruction tour.

In March 1968, Captain Heuberger reported to the precommissioning unit of the USS Whale (SSBN-638). Following a two-year tour on Whale, Captain Heuberger was then ordered to USS Simon Bolivar (SSBN-641) as Executive Officer. Following this tour, he completed Prospective Commanding Officer training then served as Commanding Officer of USS Seahorse (SSN-669) from December 1973 to January 1977. His post submarine command tours included duties as Comsubron Three Deputy for Readiness and Comsuberu Five Chief of Staff.

In addition to the Meritorious Service Medal with one gold star, he has been awarded the Navy Achievement Medal with two gold stars, the Navy Achievement Medal with one gold star, the Navy Unit Commendation ribbon, the Navy Expeditionary Medal with one bronze star, the National Defense Service Medal and the Deterent Patrol Pin with one gold star (six patrols).

Captain Heuberger is married to Mary M. Chipman of Jacksonville, Florida. They have five children: Ms. Joanne Rinehart, Marianne, Mark, Ionathan, and Margaret

# Mattapoisett Birthday Calendars

The Mattapoisett Firefighters Association will be undertaking the task of producing a 1996 Mattapoisett Birthday Calendar. Starting May 15 the Association members will be contacting the residents of Mattapoisett to sell calendars and list birth dates.

For those unfamiliar with the project, which until 1994 was produced by the Mattapoisett Woman's Club, the calendar lists birth dates and anniversarys for each day of 1996 in an attractive calendar format.

The cost of calendars are \$5 each, which includes two listings, each additional listing is 50¢.

# FREE MONEY SAVING ADVICE If you have an old heating

If you have an old heating system, chances are it's operating at about 60% efficiency. Which means 40% of your fuel dollars are going up in smoke.

A new Smith gas-fired boiler delivers up to 83% efficiency, so it pays for itself in fuel savings in no time. And every Smith boiler is backed by a limited lifetime warranty.

Call today about an economical Smith boiler for your home.
